

# C Setting Possibilities

We now have 2 different C settings that depend upon the controller you are renting or own.

**Setting C** in our models with Elan branding is a blend of Solfeggio frequencies from the B setting and the Nogier frequencies which help the body tune itself back into physical balance and health. This is a wonderful hybrid setting that combines physical and spiritual balancing.

**63 Hz. Sine Wave – Soothing environment of water**

**147 Hz. Nogier #2 - Supporting the body's release of inflammation, scar tissue, infection**

**285 Hz. Clearing the energetic field. Opening to new possibilities (Also in B Setting)**

**294 Hz Nogier #3: Tuning the Skin, Brain, Nerves and Eyes**

**396 Hz. Solfeggio UT: Liberation from Guilt and Fear. Moving from Grief to Joy (Also in B Setting)**

**417 Hz. Solfeggio RE: Find solutions and facilitate change ( Also in B setting)**

**528 Hz. Solfeggio MI: Celebration, Miracles & Love (Also in B Setting)**

**587 Hz. Nogier # 4: Tuning Endodermal Tissue: Circulatory, Liver, GI tract, Pancreas, Deep Tendons**

**639 Hz Solfeggio LA: Connecting Relationships Cell to Cell and Person to Person. (Also in B setting)**

**2349Hz Nogier #6: Shifting long term limiting patterns, increasing lymphatic flow**

## **BRAND NEW C For the LUMIVibe 3 and Pro6 Controllers Purchased in 2017**

If your system is a white Lumi branded system purchased after 1/25/17 it may contain the New C setting. This sweep is tuned to the 3:2 Pythagorean or Golden Ratio found in Nature. These frequencies are said to be the “pipeline of how energy wants to flow” and are repeatedly found in music, in minerals, in architecture, in medical research and in the natural patterns of life. They have been named by researchers at Stanford as part of “the most harmonic frequencies in nature.” According to Tibetan Chakra Meditations and The Electroherbalism Frequency Manual these frequencies support the following experiences in the mind and body:
