## Health Dynamics LLC Ambassador Rules & Agreement

### **Ambassador Status**

Ambassadors may market light system products through Health Dynamics, LLC and Earn Commission Bonuses. You must be at least 18 years of age and reside in the United States or a US territory. You must provide Health Dynamics with a completed w-9 form providing valid Social Security Number (SSN) or Individual Taxpayer Identification Number (ITIN). Acceptance of a Federal W-9 form and this signed Ambassador Agreement with Health Dynamics allows you to market our light energy products and earn bonuses. In addition, you may sponsor others and have sponsorship rights with respect to their downlines, as described in the Shine With Light Compensation Plan and this Document. You understand that your name and contact information will be shared with Health Dynamics Ambassadors, and Business Leaders who are part of your direct sponsorship lineage and on whose commission statement you appear.

### **Distributing Products**

Because Health Dynamics is committed to the direct-selling business model and marketing built on relationship referrals, Health Dynamics Ambassadors may not distribute our light system products directly or indirectly to or from Internet auction sites. They also may not distribute products to Owners or Ambassadors outside their Personal Group in the Shine With Light Compensation Plan.

### **You Can Build a Business.**

Health Dynamics publishes an authorized Shine With Light Compensation Plan, which outlines the benefits and requirements of our light system direct sales business. Information on how to build a light business is available from your Sponsor and/or Business Leader.

### **Independent Contractor Status**

Health Dynamics Ambassadors are INDEPENDENT CONTRACTORS. Health Dynamics Ambassadors are not employees or agents of Health Dynamics or of any Health Dynamics Distributorship and may not so represent. Health Dynamics is not an agent or fiduciary of any Health Dynamics Ambassador or Distributorship. Health Dynamics Ambassadors will not be

treated as employees of Health Dynamics for federal or state tax purposes and will be responsible for payment of any self-employment or other income taxes. Health Dynamics Ambassadors will not be treated as employees of Health Dynamics for purposes of the Federal Insurance Contributions Act or any other laws covering employees.

### **Unauthorized Claims**

Health Dynamics Ambassadors may not make claims about our light energy products or the Shine With Light Compensation Plan. Because it sets the foundation for how we do business, if a Health Dynamics Ambassador does not follow this Ambassador Agreement or the Compensation Plan, he or she may be subject to remedies for breach of contract, including termination of his or her Ambassadorship

Please understand that Health Dynamics, LLC may be legally liable for all statements and claims made by all of our Light System Ambassadors either verbally and on websites and/or written materials. In order to protect the technology for the thousands who enjoy its benefits, we ask that you stay in compliance with these terms made in accordance with all health regulatory bodies. Here are some guidelines we suggest:

- Neither Shine With Light nor the Elan Energetics name can be used in your website or URL address.
- You also cannot use the Elan trademark Logo on any marketing or website materials for the same reason. The law views usage of these copyright materials as if you are a legal representative or agent of the company. This also holds you legally liable for any claims made against the company. If you're not sure, please ask us to review any materials you want to use first.
- Do Not use the Health Dynamics, Joffs Enterprises, Shine with Light or Elan Energetics name or logo on any website or marketing materials unless it is marketing material that that we have provided after August 1<sup>st</sup>, 2016.
- DO NOT use the Health Dynamics, Shine With Light or Elan name in any social media internet network accounts. (IE. Facebook, Twitter, Linked-In, etc)
- Do Not display any Shine With Light or Elan software protocols or individual treatment program names anywhere on your website or promotional materials, (IE. Balance Hormone Production, etc.) as this can be construed to be treating medical conditions by the FDA.
- Please DO NOT make any medical claims for the light products. These include claims that purport to "relieve" "improve" or "cure" any physical and/or medical condition. Instead, we suggest always using terms such as "helps promote," "may improve" and "supports healing" "studies have shown" which are not absolute in nature.

- If you are promoting the light systems we market on your website please display the following disclaimer somewhere. "Our Light Systems are not intended to be used as a medical device and is not intended to treat, diagnose, or cure any physical and/or emotional symptoms or medical conditions."

We thank you for your help and cooperation in safeguarding our light system technology.
