- Shoulder to Tailbone
- Foot
- Perfect for the Whole Body

Can be upgraded into our Flex, Grow and Pro Systems

\$1500

# RENEW Facial Rejuvenator

Daily Anti-Aging Light Therapy

Red, Near Infrared and Orange wavelengths

Research has found that applying these wavelengths to the skin stimulates fibroblasts to produce collagen.

FDA over the counter (OTC) cleared for the treatment of fine lines and wrinkles.

Combine with additional pads to support increased circulation, cleansing and cell regeneration throughout the body including the liver, the skin's companion organ.

Can be used with the Flex 3, Grow6 or Pro6 Controller

\$700

# LumiSoother Green

## The Soothing Power of Green

135 Comfort Diodes

- 60 Green
- 75 Near Infrared

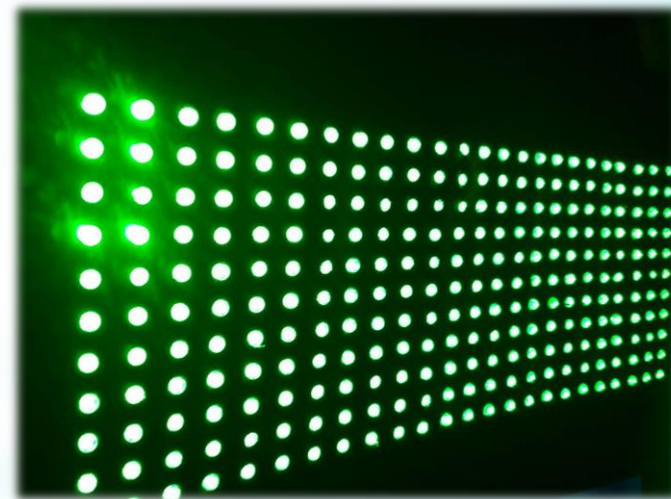

Research has found that applying green light comforts pain, lowers inflammation and enhances immunity.

[Reduced Inflammation](#)

[Long Lasting Pain Management](#)

[Long Lasting Stress Reduction](#)

[Enhanced Immunity](#)

## Researched Properties of Green Light 550-520nm

- General Balancing
- Neutralizing
- Anti-infection

**Psychological Properties:** Love, Abundance, Adaptability.

**Associated Body Parts:** Liver, Lungs, Thymus, Immune System.

Connects with the Flex 3, Grow6 or Pro6 Controller.

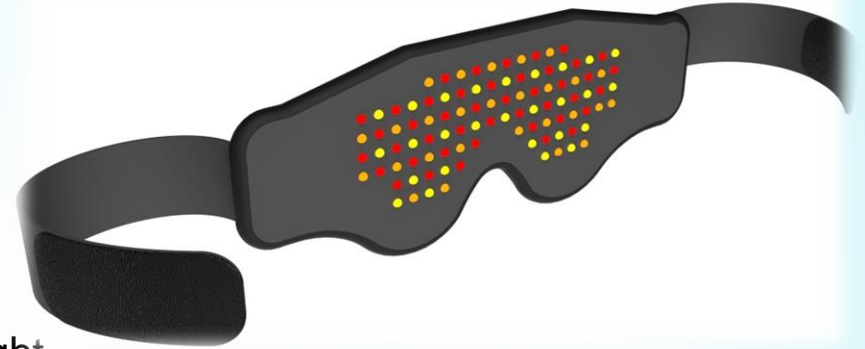

\$700

# Restoration Mask

Restore your sense of wellness

98 Medical Grade Diodes

- 27 Red 660 nm
- 44 Near Infrared 830 nm
- 27 Yellow 590 nm

Research has found that these wavelengths of light

- Increase Circulation
- Decrease Inflammation & Cell Degeneration

Researched Properties of Yellow 550-590 nm

Energizes

- Vision, Digestion, Lymph, Joints, Gallbladder, Detoxification, Pancreas, Spleen, Immunity
- Intellectual Strength, Optimism, Detachment, Flexibility, Peace, Opening

Connects to Flex 3, Grow6 or Pro6 Controller. Portable Version for Go2

\$550

# LumiClear Complexion Mask

Daily Complexion Support Light Therapy

Blue 415nm and Red 660nm wavelengths.

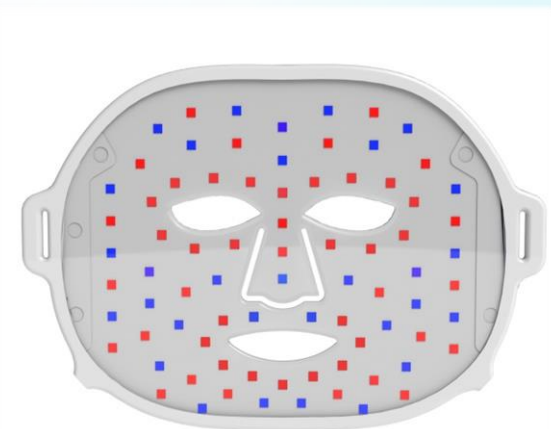

Research has found that applying these wavelengths to the skin

- Kills the bacteria associated with breakouts
- Stimulates fibroblasts to produce collagen
- Assist with scar tissue and healing.

Combine with additional pads to support increased circulation, cleansing and cell regeneration throughout the body including the liver, the skin's companion organ.

Can be used with the Flex 3, Grow6 or Pro6 Controller.

\$700
