

Welcome to Our Light Owner Community

Congratulations! We are excited to have you as new LumiCeuticals owner. We are committed to providing education and support so that you feel empowered to get the most out of your equipment and to share it with others with confidence.

Please do the following 5 steps:

1. Get acquainted with your system and if you haven't already, please watch the short introduction videos here

[Click here to watch our short introduction videos](#)

2. Use your system daily! Here is a great way to get started:

- ☐ Use a 20 minute relaxation sweep on your favorite setting. People love the whole body relaxation of the following settings: C, B, 11-19, 97-99. Pad placement ideas: Eye mask on eyes or forehead, local pad on belly or chest, big pad across the mid back or up and down the spine.
- ☐ Set up a personal light coaching with the person who shared the lights with you or feel free to receive education and marketing support from Marta or Shirley. Email shirleyjoffs@gmail.com or marta@shinewithlight.com and provide two or three windows of time where you would be available for a 30 minute to 1 hour light coaching.
- ☐ **Listen to free guided mediation recording at <http://www.shinewithlight.com/videoaudio> . Email us to receive this file via DropBox for your MP3 player or phone use. If you do not work with computers, contact us to ask for a CD of this audio and other relaxing audio suggestions.**

5. Get Connected with the Ability to Share and Refer These Systems

- Happy owners make up our direct sales ambassador team. We would love to have you share your lights with others for an amazing win/win. We invite you to let your friends and family experience a C setting session as their first introduction to the lights along with our guided audio. They can use the waiver feedback to let you know their ongoing interests in sessions, an in-home trial and ownership. We would love to mentor you further to help spread light throughout the world.
- Being a system owner is the first step for a powerful financial opportunity to share these systems with others and help them get their own systems. Direct Sales Commissions, Profit Sharing & Team Building Commissions for helping to teach others are all available. To begin earning commissions on a sale you will need to fill out an Ambassador's Agreement form, W9 form and direct deposit form with LumiCeuticals. See the Ambassador Enrollment Attachment to get started.

Stay hydrated, stay consistent with your daily use of the lights and enjoy the journey of coming home to a healthier, more vibrant and more radiant you.
